

# SAINT MARK GREEK ORTHODOX CHURCH

---

Father Mark A. Leondis, Pastor

Dear Faithful Steward,

At Saint Mark, we continually give thanks to God for everything He has given us. We give thanks through worship, fellowship, education, outreach, and our many ministries.

Enclosed in this letter is a stewardship testimonial page that includes the spiritual reflections from seasoned and exemplary givers in our Saint Mark family. Also included is a 2016 Stewardship pledge envelope. I invite you to reflect on the examples of our steward testimonials, and ask that you prayerfully consider your stewardship pledge and whether you are able to increase it by moving up to the next category.

Giving to the Church is never an obligation – **but prayer in action**. It is our way of saying thank you to God for all the blessings He bestows upon us. Stewardship is what a person does after saying, “I believe” as proof of that belief.

Let us continue to give thanks to God by pledging joyfully of our time, talent, and treasure and thus offer to Him our very best.

On behalf of our Clergy, Parish Council and Stewardship Committee, I remain,

With prayers and love in Christ,

Rev. Fr. Mark A. Leondis

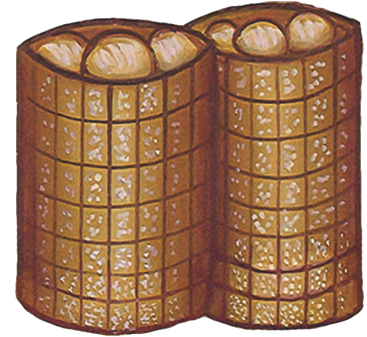

# SAINT MARK STEWARDSHIP 2016

“THOSE THAT SEEK THE **LORD** SHALL NEVER BE IN WANT OF ANY GOOD THING”

“Remember how you felt as a child when mom or dad gave you money to put into the basket at Church? Today that good feeling comes by being a steward of Saint Mark, when we realize that our contributions help to keep our Church open for all the faithful: young, old, and all those in between. Just as we take care of our families, we must all take care of the Saint Mark family through stewardship.”

- **Barbara Yurchuck**

*Saint Mark Steward since 2013*

“We believe that stewardship is a time to reflect on the grace we have received. Saint Mark has become our spiritual home and family. We feel extremely blessed to partake in the many profound ministries constantly provided. It is because of these ministries that we have met so many wonderful people. For us, stewardship is the conscious act of giving back in thanks to the faithful community that has given us so much, and ensuring its continued prosperity for the generations to come.”

- **Andrew & Mary Limperos**

*Saint Mark Stewards since 2014*

“My wife and I have been happy to be a part of many of the Church ministries, and have attended many Church functions and events over the years which have been made possible through the stewardship program. This has truly become a special and meaningful place for our entire family. More significantly, Saint Mark preserves our Orthodox Christian faith for ourselves and our children’s future.”

- **John & Theodora Periharos**

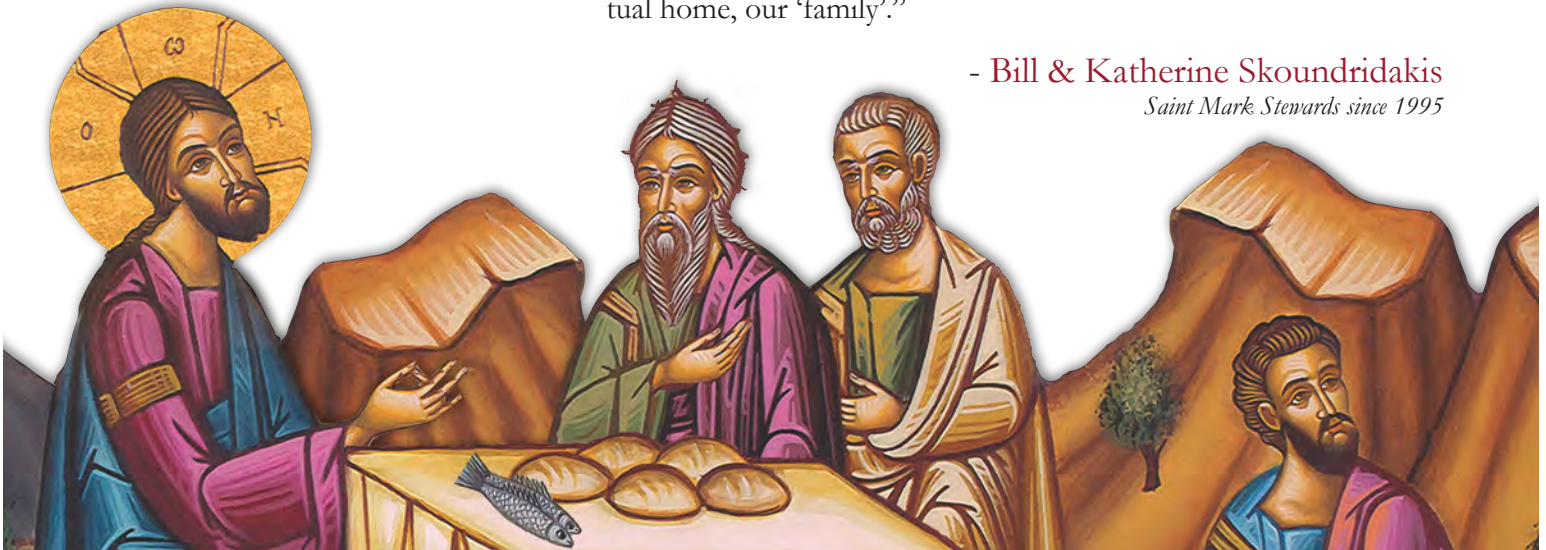

*Saint Mark Stewards since 1995*

“Family. It connects all of us. As children, our family nurtured us, protected us, and guided us through the journey which is life. That is the very definition of stewardship. Over the years Saint Mark has become part of our family, and has given us so much. As stewards we feel it is our responsibility to take care of it, because it is our spiritual home, our ‘family’.”

- **Bill & Katherine Skoundridakis**
