

Dear Faithful,

On behalf of our Saint Mark family, I welcome all of you once again as our guests to the Saint Mark Festival. This year we are celebrating our 38th annual Festival, featuring some exciting changes to enhance your Festival experience.

While here, you will have the opportunity to enjoy Greek hospitality, something that we consider our sacred duty. We welcome our friends and neighbors who are new to our Festival and to our returning guests, we thank you for your steadfast patronage.

The Greek foods, sweets, dancing, music and exhibits and, most importantly, our Orthodox Faith are here for you all to experience. As you journey through the grounds, please make yourselves at home and be sure to take some extra treats with you to share with your family and friends.

Every year we have specific times for our Church Tours, and we invite you to take a few extra minutes this weekend to enjoy the recently completed beautiful works of iconography throughout the Church. In addition, check the timetables for the performances by our dance groups; they appreciate your support and encouragement.

Again, thank you for attending, and we hope you enjoy your stay.

Your host and Pastor,

Fr. Mark Leonidis
Rev. Fr. Mark Leonidis
